PAYMENTS TO OPTICRED PARTNERS

FeverTree shall pay the Merchant on a weekly basis, coinciding with each FeverTree weekly payment run, according to the below formula. Should FeverTree review the formula, FeverTree shall notify the Merchant in writing thereof, which shall immediately become effective in respect of all purchase transactions performed after the date on which such notice is given.

For the purposes of the payment to the Merchant, FeverTree shall pay the merchant the weekly aggregate of the OptiCred account holders purchase amounts, being the value in the payment instruction transmitted to FeverTree, **less** the settlement discount calculated in terms of the below formula.

$$A = B \times C$$

where:

A = the discount to be calculated (amount subtracted from the payment made by FeverTree to the Merchant);

B = 10.09%

C = the purchase amount (value) of the transaction concluded with the Merchant by the account holder

For the benefit of doubt for a OptiCred account holders transaction of R1,000, FeverTree will settle the merchant R899,10.

Before FeverTree can make a payment to the merchant, please submit certified copies of valid SA ID documents for each director as well as proof of bank details (Cancelled cheque or Bank Statement) to partners@opticred.co.za
